This month I actually make the move back to Hong Kong. I preach my first sermon at Church of All Nations on July 12. My first weeks back on the mission field will find me organizing Confirmation programs for youth in Asia, planning service trips into China, Cambodia, and India, and meeting with families who have just relocated to Hong Kong and are new to Asia.

Your prayers during this time of transition are so important. I will cherish every moment you pray for me and my family. My work cannot be accomplished apart from you and your partnership.

My return to the Mission Field is also dependent on raising \$67,500.00 in financial support. As an example, I need 65 families to support me at \$25.00 a month and

8 congregations to support me at \$300.00 a month for the entire year. Please pray that the Lord work's in the hearts of people who will be able to support this outreach ministry in Asia.

For more information on how we can partner together in this ministry please visit my website.

This month please pray the following petitions with me for the ministry in Asia.

Praise God because...

- He sustains us by His Word and Sacraments.
- He sent Jesus to save us.
- He creates opportunities to share the Gospel in Asia.
- He gives people a heart for those who need to know Jesus.

PRAISE

Thank God for...

- calling me back to Asia.
- people who are supporting me in my ministry.
- providing financial resources that allow mission work to grow in Asia.

THANKSGIVING

Ask God to...

- bless Church of All Nations' Welcome Weekend so that many new families will be drawn to the Lord through the event.
- provide supporters who will help me raise \$67,500.00 to support my ministry.
- bless our partnership in sharing the Gospel.
